

## Telephoning during the Chinese Lunar New Year

The Taichung Detention Center of the Agency of Corrections, Ministry of Justice, held an open house event for the inmates through telephoning with their families on 1.27.2026, which was shortly before the Chinese Lunar New Year. This is an occasion for the inmates to express their love and concern for their family members who live far away or who are unable to visit them at the center. This event is expected to help the inmates to keep their kinship intact and win the support from their families, which in turn will help the inmates to rectify their wrongdoings and return to a normal life in society. There were 12 juvenile delinquents and 270 inmates participating in this event, which was successfully concluded at 11:45 on the day of the event.
